About

SHRI WOODCRAFT

Shri woodcraft was established in July 2021. From the beginning of our activities, we have successfully operated on the market, specializing in various kinds of kitchen woodware. We offer a wide range of wooden products that are very useful in everyday life. Our most popular assortment includes various wooden copper bottles, wooden glasses, wooden mugs, wooden soap dishes, wooden wine glasses, and many more.

Our main & unique product is a wooden copper bottle. It has been proven that drinking water from the plastic can lead to serious ailments in the long run. Our bottle is a fusion of 2 beautiful elements of nature the metal copper and earthy wood. This amalgamation adds an elegant edge to our copper bottle.

The natural beauty of our products and their universal features are widely appreciated, enjoyed, and loved by our customers and many people around the world. Our mission is to provide the highest quality product and assure our customers' professional corporation standards.

Our products are manufactured from premium grade wood that we obtain from farmers. Jointless finishing, durability, and resistance exactness is main characterises of our products.
